

IF YOU

HAD A

HEART

PROBLEM...

What kind of patient would you be?

Surprised?

Most people are surprised to learn of a heart problem. That's why Rush-Copley's Web site offers Wellness Tools, such as a cost of smoking calculator, a Health Risk Assessment for heart attack and stroke, and an in-depth Health Encyclopedia to help you make better choices. Plus, Rush-Copley's Heart Score, an affordable CT scan, is one more way to help reduce surprises.

IF YOU
WERE
HAVING
A BABY...

What kind of patient would you be?

Choosy?

Then you should know that your privacy and birthing preferences are respected at Rush-Copley. This level of attention is one reason why the hospital has continued to earn recognition from J.D. Power and Associates for providing an "Outstanding Patient Experience" and why Rush-Copley is the first choice among more parents in the Fox Valley for their birthing experience. Rush-Copley is as choosy as you are.
