## **The Power of Greater Efficiency — with Hospital Documentation: Sample Policies, Procedures, and Forms**

Now you can benefit from the power of fast, convenient access to the forms, policies, and procedures that can help your organization improve patient care and meet Joint Commission standards. Hospital Documentation: Sample Policies, Procedures, and Forms, is a CD-ROM that can make you more efficient—and your hospital better equipped to address, manage, and respond to quality and accreditation issues. Ultimately, this will help you enhance patient safety and free staff to do what they do best: care for their patients.

From monitoring infection rates to managing ethics issues to reconciling medications, this comprehensive product offers the collection of sample documents you need to maximize efficiency and heighten patient safety. These forms, policies, and procedures are conveniently organized to reflect the chapters of the Comprehensive Accreditation Manual for Hospitals. Real-life examples of documentation can be customized to suit specific needs and is downloadable—ensuring easy access throughout your hospital.
