Welcome to Art Advisory

Let an Arts Consultant Enhance Your Space

Art holds the power to enhance any environment—and art consultants at Art Advisory, Ltd. bring the power to select work that complements your goals. With 25 years of experience, Art Advisory, Ltd. is a well-established fine art consulting firm. Our art consultant's goal is to transform your space with quality, visually satisfying artwork that inspires, motivates and impresses all who enter.

Whether you're looking for art for public spaces or art for interiors, our turnkey services address:

- Needs assessment based on your space, taste, culture, identity, image and values by a professional arts consultant
- In-depth conceptual analysis
- Space planning
- Art selection
- Commissions management for site-specific art
- Framing, delivery and installation
- Inventory and collection management

Art Advisory, together with a national network of artistic connections and field-tested vendors, makes it happen.
